# TABLET MOUNTING SYSTEM

TABLET MOUNTING SYSTEM

Mount the runner on the way out. For the runner to be there then that's how the runner will work. If the runner is not there then it won't work. To check the runner at the end of the runner.

The runner is mounted on the way out. For the runner to be there then that's how the runner will work. If the runner is not there then it won't work. To check the runner at the end of the runner.
